ER ANDA FERNANDO

Final-year IT Undergraduate and Project Lead with a proven track record of managing multi-platform digital operations and technical workflows. Experienced in coordinating cross-functional teams, overseeing project lifecycles, and merging technical IT problem-solving with strategic planning.

Experience

- **Hiru News Digital - Lotus Technologies (2024 - 2026)**
Social Media Digital Creator
 - **Operational Coordination:** Managed day-to-day content lifecycles and community engagement across four major enterprise-level platforms.
 - **Workflow Optimization:** Supported the digital production department by diagnosing technical bottlenecks and maintaining hardware/software efficiency.
 - **Cross-Functional Collaboration:** Partnered with the marketing department to execute complex brand campaigns and manage intricate posting schedules.
 - **Technical Maintenance:** Coordinated the technical management and real-time monitoring of live broadcasts for main news bulletins.
- **Intelligent Elephant Care and Visitor Insight (Research Project)**
Group Leader & Lead Researcher
 - **Team Management:** Directing a 4-member research team, delegating technical tasks, and ensuring all project milestones align with university deadlines.
 - **Lifecycle Oversight:** Managing the end-to-end development of a health prediction system, from initial requirement gathering to final technical documentation.
 - **Technical Direction:** Overseeing the implementation of machine learning models for elephant health prediction, utilizing tabular clinical data to ensure high-accuracy outcomes.
 - **Strategic Communication:** Serving as the primary liaison for the group, presenting project architecture and progress updates to academic stakeholders.
 - **Problem Solving:** Led the transition to clinical data-driven modeling to improve project feasibility and predictive reliability.

EDUCATION

- **BSc (Hons) in Information Technology** 2022 - 2026
undergraduate | SLIIT
- **G.C.E (A/L) Examination** 2019
Technology | Ananda College - Colombo
